Assistant Head of School Shannon O'Connor, M.S.Ed.

ELITE OPEN SCHOOL

Elite Open School is a private middle school and high school enrolling 734 students in grades 3–12. In 2015, Elite Open School was born out of a desire to provide schooling or education options for missionary families and students. Elite Open School was able to serve education-focused families, immigrant communities, and families looking for first-generation college attendees. The school graduated its first senior class in the spring of 2016.

2024-25 STUDENT BODY

734 Total Students
86 Full Time Students
648 Part Time Students
95% Students of Color

OUR FACULTY

74% Masters Degrees
13% Teaching Credentials

CURRICULUM

166 UC A-G Approved courses
92 UC A-G Honors courses
31 Computer Science courses
23 Dual Credit courses
24 AP® courses
24 Business and Economics courses
23 World Language courses
6 Design/Visual Arts courses
7 Engineering courses

OUR MISSION

[Our mission](#) is to provide students with a challenging academic environment that promotes personal growth and discipline, develops the knowledge and skills necessary to unlock their academic potential, and ultimately assists them in gaining admission to the colleges and universities of their choice. Furthermore, we believe in instilling a passion for learning, encouraging them to develop their talents and passions so that they may reach their full potential both academically and personally.

COMMUNITY

Elite Open School partners with Learning Resource Centers (LRCs) specialized in blended learning to serve college-bound students in **5** countries around the world.

26 LRCs in the United States and **6** international LRCs and partnerships in Japan, Korea, Indonesia, and China.

In addition to serving immigrant and first-generation students aiming to improve their college and career trajectories, Elite Open School has continued to work with extracurricular focused cohorts of students from top tennis academies, esports teams, and performing arts schools who have common career aspirations and need flexible, personalized core schooling.

GEOGRAPHICAL DISTRIBUTION

of states represented: **5**
of countries represented: **6**
of international students: **178**

GRADUATION REQUIREMENTS

Completion of a semester course earns 0.5 credits

English 4.0 credits
Mathematics 3.0 credits <i>Must include Algebra I and higher</i>
Social Studies 3.0 credits <i>Must include World History, US History, Government, and Economics</i>
Science 2.0 credits
Language other than English 2.0 credits <i>Must be 2 years of the same language</i>
Visual and Performing Arts 1.0 credit
Electives 1.0 credit
Physical Education 2.0 credit
Total: 18 credits

GRADING SYSTEM & RANKING POLICY

AP®, Dual Credit, and Honors course grades are given an extra point when calculating a grade point average.

Letter Grade	Percent Grade	4.0 Scale	AP®, Dual Credit, and Honors
A	90–100	4.0	5.0
B	80–89	3.0	4.0
C	70–79	2.0	3.0
F	Below 69	No credit	No credit

Elite Open School does not rank its students. Grades of "P" are not reflected in GPAs.

ACCREDITATIONS

MEMBERSHIPS & AFFILIATIONS

SIGNATURE ADVANCED ACADEMIC PATHWAYS

Elite Open School curriculum provides rigorous core academic courses with a diverse range of electives for students to explore potential college majors and careers. Each semester course is worth 0.5 credits and consists of 18-20 weeks of work. Our most gifted high school students are eligible to enroll in the AP Capstone Diploma™, Minerva Baccalaureate, or Dual Diploma programs to take college level courses as an alternative to a traditional AP and Honors course pathway.

AP Capstone™ is a diploma program based on two year long AP courses: AP® Seminar and AP® Research. Rather than teaching subject-specific content, these courses develop students’ skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. EOS students who complete the two-year program can earn one of two different AP® Capstone awards, which are valued by

colleges across the United States and around the world. AP® Capstone is a powerful indicator of college readiness on a student’s transcript and helps students stand out to colleges in the application process.

**Students who earn scores of 3 or higher in AP® Seminar and AP® Research but not on four additional AP® Exams receive the AP® Seminar and Research Certificate™*

Incorporating best practices from the latest research in the learning sciences, the [Minerva Baccalaureate](#) (MBacc) is a transformative, UC-Honors approved program utilizing active learning, discussion-based classes. Students take five core subjects that intersect with one another: Math, Science, Social Studies, English, and Social and Emotional Learning. They develop critical thinking, problem solving, and personal development skills by engaging in interdisciplinary activities that require them to think creatively, produce professional work, challenge social norms, and engage with

their local community. The program produces young leaders capable of thriving academically, personally, and professionally. Graduates receive a high school diploma from Elite Open School and a Minerva Baccalaureate diploma.

Notes on Course Distinction on Transcript

Courses demarcated with an “MB” on the Elite Open School transcript indicate that they are from the Minerva Baccalaureate program and carry the same weight as an Honors, AP®, and Dual Credit course due to the rigor of the program.

Another more traditional pathway for academically gifted students is our Dual Diploma Program. Academically eligible students who wish to challenge themselves from the start of high school with college level coursework, can culminate their high school careers with a full college-level course load. Graduates of our Dual Diploma program receive a high school diploma from Elite Open School, as well as an Associate of Arts degree from a regionally accredited U.S. college.

23 Dual Credit Courses are offered as a part of our Dual Diploma Course Pathway

English

- Language & Composition
- Literature & Composition
- Research and Composition

Math

- College Algebra
- Quantitative Analysis I

Science

- Chemistry I & Lab
- Introduction to Biology & Lab
- Physical Science & Lab Lab

Social Studies

- American Government
- Microeconomics
- U.S. History I
- U.S. History II
- World Civilizations I

Electives

- College Readiness
- Introduction to Business and Entrepreneurship
- Introduction to Christianity
- Introduction to Communication
- Introduction to Information Technology
- Old Testament
- Survey of the New Testament
- Philosophy of Life
- Principles of Psychology
- Music Appreciation

Notes on Course Distinction on Transcript

Dual Credit courses are demarcated with a [+] indicating that they carry the same GPA weight as an Honors, AP®, and MBacc course due to the rigor of the program.

OUR CURRICULUM

24 AP® courses are offered:

AP® is an open-enrollment program.

Course Highlights:

- AP® Calculus AB
- AP® Calculus BC
- AP® Chinese Language and Culture
- AP® French Language and Culture
- AP® Psychology
- AP® Macroeconomics
- AP® Microeconomics
- AP® Computer Science A
- AP® Computer Science Principles
- AP® Drawing
- AP® 3D Art and Design
- AP® 2D Art and Design
- AP® Research
- AP® Seminar

AT EOS, MAJOR EXPLORATION STARTS EARLY IN MIDDLE SCHOOL

Specialized Concentrations for Top Engineering, Business, Bio-Med, Coding, and Humanities College Majors.

92 UC Approved Honors courses are offered:

30+ Computer Science courses

Course Highlights:

- Advanced Cybersecurity
- Applied Augmented and Virtual Reality
- Artificial Intelligence and the Future of Work
- Data Science
- Data Structures in C++
- Fundamentals of Cybersecurity
- Game Design in Unity
- Game Design in Unity with Virtual Reality
- Internet of Things and Cloud Computing
- Mobile Apps
- Oracle Java SE 8 Programming
- SQL, Data Science, and Artificial Intelligence
- Threat Intelligence and Cybersecurity

20+ Business and Economics courses

Course Highlights:

- Accounting I & II
- Agile Innovation of Startups
- Business of Esports
- Bitcoin and Cryptocurrency
- Blockchain and Cryptography
- Ecosystem of Esports
- Entrepreneurship & Small Business
- Human Resources Principles
- Information Technology Applications
- Introduction to Business and Entrepreneurship
- Introduction to Business and Technology
- Introduction to Esports
- Introduction to Information Technology
- Legal Environment of Business

- Principles of Business Marketing & Finance
- Principles of Information Technology
- Project Management

20+ World Languages courses

- French I-II & AP
- Spanish I-III & AP
- Chinese I-II & AP
- German I-II
- Latin I-II
- Japanese I-II
- Russian I-II
- Korean I-VI

9+ Design & Engineering courses

Course Highlights:

- Architectural Design I & II
- Principles of Architecture
- Advancement in Transportation Technology
- Drones: Remote Pilot
- Industry 5.0 and Future of Robotics
- LEED Green Associate
- Science of Wearable Technology
- Smarter Cities and Infrastructure
- Space 2.0: From NASA to SpaceX
